

WASHINGTON- Congressman Lee Terry has received notification from the U.S. Department of Education that All Our Kids, Inc. has been selected to receive funding under the Mentoring Program Grants. This grant is in the amount of \$185,901 for April 1, 2008 through March 31, 2009. It is anticipated the grant will be for a total of 3 years.

All Our Kids is dedicated to helping at-risk youth in the Omaha metro by providing an ongoing, caring relationship with a mentor.

"There is nothing more important than the future of our children. We must continue to promote programs for children with the greatest need by assisting them in receiving support and guidance from a mentor and to improve the academic achievement of these children," said Congressman Terry.
